

## NEW MAGNETER CMP50

Magneter CMP 50 is a professional device for magnetotherapy, characterized by the simplicity of use and by the emission of low-frequency magnetic fields. Thanks to the solenoids in endowment it is possible to make applications on the whole body without problems. Magneter CMP 50 includes 48 pre-set programmes with parameters for the most common applications and works by power mains. It is endowed with a comfortable small bag for the transport and the home therapy. Thanks to the Modul Line system it is possible to combine Magneter CMP 50 with up to 2 other devices among Ultrasound Therapy, Electrotherapy and Ionophoresis devices.
