

## **MAGNETER PRO**

Professional Device for Magnetotherapy

•••••  
**MAGNETER PRO**

**Magneter Pro** is a professional device for magnetotherapy, characterized by the simplicity of use and by the emission of low-frequency magnetic fields. Thanks to the solenoids in endowment it is possible to make applications on the whole body without problems. Magneter PRO includes 48 pre-set programmes with parameters for the most common applications and works by power mains.
